

## **Jelena Matejić, a member of CGES Board of Directors**

Jelena Matejić holds the position of General Manager of Elektromreža Srbije Joint Stock Company Belgrade (EMS). She holds a Master's degree in Public Sector Management and is a graduate economist with expertise in marketing. She took specialist courses from WIFI Institute (Austrian Development Agency) and earned a project manager title. She holds certificates from numerous seminars, courses, and training in the fields of business planning, feasibility studies, and leadership skills.

Her professional career began at MARK PLAN company as an external market research associate. She continued her development at DELTA SPORT d.o.o., where she advanced from a position within the Finance Department to the role of Retail Network Development Manager and assistant acting Chief Investment Officer.

From 2006, she held a position of Assistant Chief Investment Officer at DROGA KOLINKA GROUP company. In 2012, she moved to ATLANTIC GROUP, where she assumed the position of Director of Investments and Investment Maintenance in Serbia and North Macedonia.

In October 2012, she joined the Joint Stock Company Elektromreža Srbije, assuming the role of Executive Director for Investments and Strategy. She was appointed the acting Director of EMS AD on 29 December 2016, and has headed the company since 5 December 2017.

In addition to her management positions at EMS, she has held several public positions, including membership in the Management and Supervisory Boards of Elektroprivreda Srbije (Electric Power Industry of Serbia - EPS). Since February 2015, she has chaired the Council of the Equity Fund of the Republic of Serbia and has been appointed a member of the Board of Directors of Crnogorski elektroprenosni sistem.

Jelena Matejić was born in Smederevo in 1973. She is married and mother of one child. She speaks fluent English and intermediate Spanish.
